## Description of Business:

From private driveways, parking lots or building additions to major road resurfacing or construction, Excel is experienced and equipped for a "finished" project. Our staff is highly experienced. We utilize the most advanced equipment and technology available.

Established in Norfolk, Virginia 24 years ago,

Excel remains the "go to" company when quality and value matter. Excel works closely with General Contractors, Property Managers and Private Owners. Excel Paving Corporation is a Virginia Class A Contractor and a Virginia Department of Transportation (VDOT) approved contractor.
