Description of Business:

American Road Markings provides the installation of pavement markings and markers, line removal/eradication, concrete wheel stops, delineators, MUTCD signage for parking lot and road ways, seal-coating, crack-filling, stamped/ textured asphalt application (Certified Street Print Applicator), LEED Certified Solar Reflective asphalt coating and traffic control.

We provide services for jobs big and small, from major highways and roadways to shopping center parking lots. American Road Markings has been in business for over 10 years and is a SWAM, VDOT Certified and Pre-Qualified, Class A Contractor with crew leaders that have more than 20 years in the industry. Team members employed by American Road Markings are background checked and approved for all levels of government work including federal, municipal and military facilities. We pride ourselves on quality work and building close relationships with contractors and business owners.
