Description of Business:

Shirley Contracting Company LLC, a subsidiary of Clark Construction Group, is a leading provider of comprehensive transportation and heavy civil construction services in the Mid-Atlantic Region.

The company based in Lorton, Virginia was founded in 1974, and provides a diversified range of services. Shirley's creative approach to construction, engineering know how, extensive experience with alternative delivery methods, along with the ability to self perform work ensures that projects are not only delivered safely, but on schedule and within budget, while exceeding client expectations.

Over the last 40 years, Shirley has grown into one of the region's premier heavy civil contractors and has played a large role in the development of highway and roadway infrastructure in Virginia, Maryland, and the District of Columbia.
